

INTERNATIONAL SOCIETY FOR STRUCTURAL HEALTH MONITORING OF INTELLIGENT INFRASTRUCTURE

2015 ISHMII Student Group Membership Instructions & Application

Dear Friend,

Thank you for your interest in obtaining a Student Group Membership in ISHMII. The instructions and application follow.

The Student Group Membership fee is \$35 (USD) per student for 2 to 7 students studying under the direction of an Individual or Corporate Member of ISHMII. If your group is larger than 7 students, we will accommodate your request.

In addition to the application, ISHMII requires verification of student status. Simply include a letter on institutional letterhead signed by an official that verifies the academic status of each student named on the application; a single letter will satisfy this need as long as it lists all of the students. Photocopies of student identification cards are not accepted. These documents can be sent to NancyC@ishmii.org.

If the supervising faculty or lab director is not a member of ISHMII, he or she may join on-line at www.ISHMII.org. This should be done first, and if you have a question about his or her membership status, please contact us. Faculty, post-doctoral fellows and other professionals are eligible for Individual Memberships (\$150) or may take advantage of institutional rates by purchasing a reduced-fee Corporate Membership (\$500 for up to 4 people). More information is available at www.ishmii.org/members/.

Since the total price of a Student Group Membership varies with the group size, we cannot accommodate on-line payment at this time. After your application is received, ISHMII will send an invoice email to the designated contact person responsible for handling the payment. Please look for an email from Nancy Cohen or Charleen Choboter or Central@ishmii.org.

If any of your questions are unanswered, please contact me.

With best wishes,

Nancy Cohen on behalf of Dr. Wolfgang Habel, President, ISHMII
